

12 VDC - 230 VAC power inverter ideal for power supply by car or camper, of rasors, LCD or plasma TV, halogen wall lamps, hammer drills, polishing machines, electrical tools in general and for recharging batteries of lap top, pda, digital cameras, videocameras, mobile telephones etc. When connected to the cigar-lighter outlet, it converts the 12V voltage of the battery into 230V. It is protected against polarity reversal and overloads.
